

Summer Winds® Nursery

INSPIRATION BECKONS

THE MONROVIA BOUTIQUE AT SUMMERWINDS is artfully filled with Distinctively Better™ Monrovia plants and embellished with carefully chosen garden decor that together make it an idea center for beautiful outdoor living. Come discover its exciting new Mediterranean mood, easy to replicate in your private home landscape with Monrovia's premium varieties that will thrive in your garden.

Lilac Sunday Lilac
Classic, fragrant deciduous shrub

'Icee Blue' Yellow-Wood
Versatile warm region conifer

Black Tulip Magnolia
Highly prized small deciduous tree

Tabletop Topiary Collection
Outdoor accents work well indoors, too.

Burgundy Spire™ Dracaena palm
Improved cultivar grows to 10 ft. tall

SUMMERWINDS and MONROVIA believe that environmental protection and preservation can make landscapes more beautiful. Monrovia grows plants responsibly and has established numerous sustainable initiatives – recycling irrigation water and organic waste, reducing pesticides use, and employing renewable materials throughout production processes whenever possible. **For more information on plant varieties and Eco-Friendly action, visit SummerWinds Nursery at www.SummerWindsCa.com**

Bonide Insecticidal Soap

Kills insects on contact. May be used up to the day of harvest Preferred by organic gardeners.

Bonide All Seasons Oil

Kills insects by smothering.

The California Department of Pesticide Regulation presents

IPM INNOVATOR AWARDS

Integrated Pest Management (IPM) Innovators emphasize pest prevention, favor least-hazardous pest management, and share their successful strategies with others. This year one of four recipients for this IPM Innovator Award is the Santa Clara Valley Urban Runoff Pollution Prevention Program or SCVURPPP. At SummerWinds Nursery we work with the SCVURPPP through the Our Water - Our World Program. SUMMERWINDS is proud to be part of this program that has won this very prestigious award. Find out more about this outstanding program at www.ourwaterourworld.org

❖ SNAIL & SLUG ❖ ❖ REPELLENTS ❖

Sluggo

Kills Snails & Slugs. Can be used around pets & wildlife. Iron Phosphate occurs naturally in the soil.

Bonide MoleMax

The clean, dustless, biodegradable granules are safe for use around children, plants and pets.

❖ FUNGICIDES ❖

Bonide Rx

Neem Oil. Kills eggs, larvae and adult stages of insects. As well as preventing fungal attack of plant tissues.

Bonide Repels All

All natural ingredients but repulsive to vermin and other undesirables. Repels three ways, by sense of touch, taste and smell.
