

BE THERE! We needs lots of Windsurfers to show up!

Windsurfers Against Water Pollution

W A T E R R A L L Y & P R E S S E V E N T

We need YOU to:

- ✓ **Show up at 4:00 pm on June 4th at one of the locations**
- ✓ **Put a streamer on your board that is color-coded to a pollutant source (streamers will be provided)**
- ✓ **Get in the water and let your Streamer fly!**

JUNE 4

4:00 pm - 6:00 pm

5 Locations!

- Crissy Field
- Larkspur Landing
- Rio Vista (Power Lines)
- Berkeley Marina
- Shoreline Park

Help call attention to the #1 Source of Water Pollution in the Bay Area: RESIDENTS USING PESTICIDES AND CHEMICALS AT HOME!

Some Water Pollutants:

- Pest Control Chemicals
- Cleaning Chemicals
- Paints & Strippers
- Motor Oil

Sponsored by the Bay Area Stormwater Management Agencies Associations, the Bay Area Discharger Association, the San Francisco Board Association and Cal Sailing Club.
