Main Meeting

1. Introductions, announcements, and agenda review.....1:30
 - a. No new people, no announcements, no changes to the Agenda
2. Updates.....1:35
 - b. Restarting the Mercury/PCB TMDL discussion - TMDLs in Att. G
 - i. Discussed LWA's work to summarize post-construction stormwater treatment measures and associated acreage treated for each county and their subsequent permittees, and reduction of PCBs and Mercury
 - ii. Regional Board engagement:
 1. Wanted an easier version of an RAA, which we did not propose
 2. Wanted to see what level of treatment would already be achieved with post-construction measures
 3. Disagreement: They wanted us to start programs now, whereas we highlighted the difficulty to start programs without permit guidance
 - iii. MRP Updates to PCBs
 1. Bridges - caulking will be a new investigation
 2. Electric Utility controls – including managing PG&E and conducting inspections
 3. **ACTION:** Read the MRP for new language
 - iv. **ACTION:** Sandy will provide the summary table. LWA will look at updates to the MRP.
 - v. **DECIDED:** We will engage with the Water Board after Keith's return from vacation (1-2 months?)

- 3. Group Discussion.....2:05
 - a. Open Discussion - none
 - b. Upcoming Topics
 - i. Homeless encampments and trash – how your agency is handling encampments
